

## Integrated Marketing Group

### Integrated Marketing Group 20000S

Integrated Marketing Group style 20000S is a **specialized fiberglass fabric** made with a unique satin weave. This fabric is of the highest grade, featuring a **special orange/red silicone coating** that can resist the high temperatures your industry demands. This one-of-a-kind coating is also **water and oil resistant, flame retardant and chemical resistant**. This strong fabric works well for all sorts of wide-ranging uses, including welding curtains, expansion joints, equipment covers, flange covers and removable insulation pads.  **APPROVED**
